About this guide

This Financial Services Guide (FSG) has been prepared, authorised and issued by Fiduciary Financial Services Pty Limited (ACN 003 624 888, AFSL 247344).

The purpose of this FSG is to provide you with information about who we are, the services we provide, how we charge for these services, our associations, your rights should you have a complaint, plus other important information. This will help you decide if you wish to use any of the services offered in this guide. If you need more information or clarification on any matter raised in this FSG, please contact us.

You are entitled to receive a Statement of Advice (SoA) whenever you are provided with personal financial product advice. The SoA will contain the advice, the basis on which it is given and information about fees, commissions and any associations which may influence the provision of the advice.

If we provide you with further personal advice where a SoA may not be required, we will keep a Record of Advice (RoA) on file. You can also ask for a copy of the RoA at any time.

You are also entitled to receive a Product Disclosure Statement (PDS) whenever you are provided with advice relating to the acquisition, or possible acquisition, of a financial product. The PDS will contain the main features, costs and benefits of the financial product, which you should consider before making a decision whether to acquire that product.

Our services

Fiduciary Financial Services provides a range of financial advice and education services to suit your life stage.

The types of services include:

General Advice - General advice provides you with information about a financial product or service. It can help you learn more about these products or services and assess whether a product or service is right for you. General advice does not take into account your particular financial needs, circumstances or objectives. You should assess your own financial situation and read the relevant Product Disclosure Statement (PDS) before making a decision based on the information provided.

Personal Advice - Personal advice is where one or more of your personal circumstances are considered when providing you advice about a product, service or strategy. Personal advice may be limited to a particular issue that you have or may encompass several areas relevant to your personal situation.

Financial Planning – We provide referrals to face-to-face Financial Planners where we identify a more comprehensive service is required. They look at your overall financial situation and prepare a plan for your future.

Our **Ongoing Advice Service (OAS)** is an ongoing review service that ensures your advice stays up to date and that you don't miss out on new ways to enable you to achieve your desired financial outcomes.

If you have a complaint about financial product advice provided by representatives of Fiduciary Financial Services, you can direct your complaint to "The Complaints Officer" at our address listed in

'Our Contact Details' at the end of this guide. We will try to resolve your complaint quickly and fairly and within 45 days.

If you do not receive a response to your complaint within 45 days, or are not satisfied with the response after going through the internal complaints process, you can take your complaint to the Australian Financial Complaints Authority ("AFCA") (ABN 38 620 494 340).

AFCA may be able to assist you in resolving your complaint but will only become involved after you have made use of the above internal complaints handling process.
